

READY? SET?

LET'S GROW!

## On My Way Pre-K helps your child grow as they develop skills to help them be kindergarten-ready!

Every parent wants the best for their child. On My Way Pre-K gives your four-year-old child a jump on learning how to:

- Make friends and build social skills
- Explore new activities, people and places
- Take responsibility while having fun

Most importantly, a high-quality pre-K helps your child be ready for kindergarten on their very first day. It's a social and learning experience that benefits them today, tomorrow and

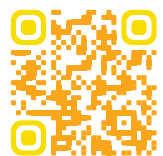

in the future. Studies have shown that children who attend pre-K are likely to be more successful as they grow up.

**Best of all: your child may qualify for a FREE, high-quality pre-kindergarten in your community!**

Through Indiana's On My Way Pre-K program, your child will be better prepared for kindergarten. **More good news for parents: applying is free, quick and easy.**
